

STILL LIFE IN STUDIO.  
LOUIS-JACQUES-MANDE-  
DAGUERRE. 1837  
DAGUERREOTYPE

Artist: Daguerre

Medium: Photograph

Size: 5 7/8 X 5 11/16 in

Function: The function was to perfect the focusing of the Daguerreotype

Form: the most interesting objects are not centered but slightly offset. Diagonals in the picture draw your eyes to the center of the photograph along with the edges being fuzzy.
